VP Form 1094

**Information** - To date SDU has played a minimal role in tasking of source for the Petra investigation that lead to source becoming a witness. Recommend management of source be transferred to Petra Task Force to minimise any link to SDU. SDU to have active input in the dissemination of any information by Vic Pol that relates to the source during the court discovery process.

### POTENTIAL FOR FUTURE USE OF HUMAN SOURCE

Source has been active for 3 years now and provided high level intelligence on major Victorian criminals and organized crime syndicates. Once exposed as a witness and put through the court process, source no longer has any potential for use by Victoria Police as the safety risks will be too high.

### ANY FUTURE ACTION RECOMMENDED?

O.I.C of SDU to be consulted before any consideration to reactivate this source is made.

### DE-BRIEF OF HUMAN SOURCE – OR REASON IF NOT (i.e Cannot be located)

Conducted with handlers and Controller on 12-01-2009 from 1630hrs.
