Subject: FW: Witness F Continued Contact With Purana Members

Gents,

Great news re the settlement with Witness F yesterday.

However you will see below that she has already re-commenced contact (by SMS) with Purana member D/S/C Ang Hantsis and appears to be trying to re-engage.

David Jones
 Detective Inspector. Purana Task Force.

Boss,

As discussed at 2:10 p.m., today I received the following SMS text message from Witness F.

"Hi Ang, until permitted contact with me again, I just wanted to say thank you for your wise words to [REDACTED] who passed on your message. I've just been re-diagnosed with stress relates cancer (reappeared since March surgery) and I intend to do as you suggested, to "look after myself" I made the mistake of trusting people I respected highly stupidly thinking they actually cared. It really hurts to be used and taken advantage of especially when serious illness results. I truly thank you for your kind thoughts conveyed by [REDACTED] Ps I understand that you'd be there to offer the support I so badly require if you were allowed contact"

As you aware Craig HAYES and myself went to see [REDACTED] at PII [REDACTED] on PII [REDACTED] August 2010. I don't recall exactly what was said but as always her name was brought up by him. Craig and I did not engage in any conversation with him about her so I am a little confused what she is referring to.

☺ /l.
