

Royal Commission into the Management of Police Informants

Further Statement of Officer BLACK

STATES:

1. I am making this further statement on the understanding that it will only be made available to the Commissioner, her staff and lawyers, and the lawyers.

2.

3. I stated that to the best of my recollection and without the benefit of accessing documents including the source management log, I believed the meeting referred to above took place at the Kew Golf Club.

4. I recall Ms Gobbo indicating that she wanted to meet with Mr Overland and that there were discussions as to whether that meeting ought take place.

5. Whilst it was my belief at the time I gave evidence that the meeting had occurred, I am now aware my belief was incorrect. Having refreshed my memory from documents created at the time and having consulted with my former colleagues, I am in no doubt no such meeting took place.
