Subject Form 9A re Orman [redacted]

Here is the draft 9A

I have intentionally drafted aspects of it in vague terms.

Re LD warrants and product, TI material request, video/audio surveillance footage - I have claimed pii re this. Please confirm that this is what you instructed.

Re the Ron Iddles Homicide brief: I spoke to Geoff Horgan about this (ie, an earlier investigation where 10 suspects were identified, interviewed, investigated and subsequently exonerated). His view is that they will eventually get it, it gives them more to read, and if there is anything in there that hurts us we can further discuss it.

My view is that they would know that there was a homicide investigation on. Farrell, I note, talks to Gatto. You would be the subject of questioning regarding this at committal, and open to criticism as to why you withheld it.

Let me know what you think.
