Subject Re Mokbel

Hi David,  
We had another mention this morning re directions in this matter followed by conferences with Stephen Waddell and Luke Cornelius. The directions were adjourned to 21st July with an anticipated hearing date of 10th August. There has been a fair bit of back and forth with Peter Morrissey with a view to narrowing the issues. I'll let you know of further developments as they unfold.  
Regards,  
Gerard.
