*for Goble file.*

Hello Fin,

I have just spoken to Doug Fryer as Acting A/C Crime. He indicates that if F was undertaking any activities for VicPol then he and Jeff Pope would be aware. He confirms that F is not required to provide any information or assistance to VicPol at this stage.

Regards

Peter

Hi Fin

I have liaised directly with Witsec who have trimmed down my draft. I attach a copy with their tracked changes and a clean copy with the changes accepted.

You will just need to confirm with Graham Ashton that VicPol does in fact not require any further information or assistance from her at this stage.

regards

Dave
