On Wednesday the 8th of August, 2007, I was asked by Detective Senior Constable HAYES from the Purana Taskforce to view some photographs.

I was then handed a closed white folder and read the 'important information to the viewer which is printed on the front. It stated the following:

You will be asked to look at a group of scanned images of original photographs. The fact that the images are shown to you should not influence your judgement. You should not conclude or guess that the images contain the image of the person/item you have been asked to identify. You are not in anyway obliged to identify anyone or anything.

Please view each photograph carefully and indicate if you can identify any person/item whose photograph is displayed herein. Please do not discuss the case with other witnesses, nor indicate to other witnesses in any way that you have or have not identified someone or something.

Upon opened the folder and observed photo images of male persons. I identified this folder as being produced by Senior Constable THWAITES on 07/08/2007.

I viewed each image and identified the image marked as Photo Number .....6.....
