We should - we should workshop absolutely everything and make absolutely the best situation out of it.

.....

MS GOBBO:

Peter Smith-O

..... you're saying - - -

MS GOBBO: what difference does it make? What - I don't understand what you're saying about what difference it makes if I'm back there or not.

Green-O

Geographically it doesn't make any difference. It's less chance of someone driving past seeing you in there, less chance of someone walking P11 out of an interview room with a bright idea or who knows who they pinch in the next one, two, 10 hours. It's all risk minimisation.

MS GOBBO: Mm.

Green-O

If no-one ever sees you near the joint and nothing is written - now, I don't know what's been said on tape. There may well be an opportunity there where your name hasn't been mentioned on the taped record - the initial taped record of interview in which case by some - - -

MS GOBBO: Doesn't know.

Green-O

Doesn't know.

MS GOBBO: He said he doesn't care. Either way

Green-O

Yeah, yeah.

MS GOBBO: Either way. There's a telephone intercept between him and his girlfriend just in the moments leading up to him being arrested, or a couple of hours before actually, where he's saying to his girlfriend go to the house, get the papers and get the money or something and the police have always claimed that that call refers to - - -

Green-O

.....

MS GOBBO: - - - all of them. Yeah, and all of them. No money as well but - - -

Green-O

Yeah.

MS GOBBO: - - - they say that meant get all of the money.

Green-O

And that's why Sam Jennings

MS GOBBO: Absolutely.

Green-O

..... money.

MS GOBBO: Yeah, but I mean - - -
