1 MS GOBBO: out of - Milad scammed it out of [REDACTED]
2 Tony [REDACTED] rings me and tells me,
3 "I've just seen Milad. He's on his way to see you in
4 relation to Tony," Milad drives in on a
5 motorbike with a bikie jacket on, shows me the 40 grand,
6 keeps on driving. And then later on, about two weeks
7 later intercepted, which is [REDACTED] phone, or
8 Milad's phone - either of them, or maybe
9 there's a very ugly conversation - this is when [REDACTED]
10 and Milad are in the car together and Milad [REDACTED]
11 [REDACTED] 'cause [REDACTED] is accusing Milad
12 of lying about where that [REDACTED] to, and Milad
13 says, "Fuck - well, fuck you, ring her," meaning me - - -
14

15 Sandy White-O Mm.

16
17 MS GOBBO: - - - "to see where the [REDACTED] went to." And I
18 well, and I had to say, "Well, not [REDACTED] of
19 it came to me." Not [REDACTED] of it came out of his
20 [REDACTED] Didn't even pay for the cup of coffee

21
22 Green-O Is it, umm - - -

23
24 MS GOBBO: I'm not saying bring me into it, but I'm saying,
25 there'll be a phone call, uhh - - -
26

27 Green-O At that moment?
28

29 MS GOBBO: Yep. And the fact that, once again, Milad tricks
30 him and scams him into giving him money for Tony.
31 Anyway, it's [REDACTED] and he's divided it out - - -

1

Green-O

2 Yeah, I just wonder if the best way to bring up
3 some of these is - - -

4

5 MS GOBBO: do it.

6

Green-O

7 Pardon?

8

9 MS GOBBO: For me to do it when I'm

10

Green-O

11 Yeah, after you've seen the statements, the
12 official - you know, you could go down and say, "You
13 know, oh, look - - -"

14

15 MS GOBBO: O.K. Well

16

Green-O

17 Yeah, yeah.

18

19 MS GOBBO:

20

Green-O

21 That's sort of the whole reason we wanted to you
22 see them - - -

23

24 MS GOBBO: Yep.

25

Green-O

26 - - - I suppose, is to - like, say, for example,
27 what you - you've mentioned there is it's not really - in
28 some of the early ones there, there's not a lot of talk
29 about the pressure and the harassment that he was under.

30

31 MS GOBBO: Yep.

PROTECTED

ROTECTED

1

2 **Green-O** Your advice to him could be - or maybe it would be
3 harassment and pressure, remember how that
4 happened? That'll help - help with - - -

5

6 MS GOBBO: Yeah, I don't wanna go too much into that
7 remember when this happened, remember when that happened,
8 because I don't want him to suddenly start thinking, "Oh,
9 hang on, well, yeah, she knew that, she knew that, she
10 knew that."

11

12 **Green-O** Oh, yeah, but - but you would be saying it to him
13 'cause it'll look better in the plea.

14

15 MS GOBBO: Yep, yep.

16

17 **Green-O** I mean, that was what Zarah thinks
18 there's a whole lot of - I mean, I can hear
19 what you're saying trying to think of some
20 things, "Oh, I remember you said once, you know, that he
21 rang you 80 times and - - -"

22

23 MS GOBBO: Mm.

24

25 **Green-O**

26

27 MS GOBBO: Yeah.

28

29 **Green-O** would've been a thing, so

30

31 MS GOBBO: Oh, that's the other thing he's left out

ROTECTED

PROTECTED

1

2 **Green-O** Mm. What?

3

4 MS GOBBO: He's left out the fact that on Easter Sunday -
5 remember how he gave me Milad's faulty number - - -

6

7 **Green-O** Oh, yeah.

8

9 MS GOBBO: - - - and I gave it to you?

10

11 **Green-O** Yep.

12

13 MS GOBBO: Because he showed him and said, "I am so sick of
14 this fucking asshole, 'cause he's now ringing on a
15 bodgie number, and he's ringing on the bodgie number to
16 my proper phone," 'cause that's how he showed - remember,
17 he gave me the number?

18

19 **Green-O** Yeah.

20

21 MS GOBBO: Well, showed me the number, and he said, "You ring
22 it." And that was a magnificent opportunity for me to
23 get the number to give it to you.

24

25 **Green-O** Yep.

26

27 MS GOBBO: Not that it turned out to be that necessary, 'cause
28 it is

29

30 **Green-O** Yeah.

31

PROTECTED

1 MS GOBBO: But, like, he's left out reference to phone calls on
2 the Easter Sunday being the pressure phone calls

3

4 **Green-O** Mm. I mean, there's probably - the - the more that
5 he thinks about it too, is the - there might be other
6 opportunities to include pressure and harassment in
7 certain circumstances.

8

9 MS GOBBO: Yes. Well, we're not trying to make it sound even
10 better for him, other than the truth.

11

12 **Green-O** Mm.

13

14 MS GOBBO:

15

16 **Green-O** Sunday.

17

18 MS GOBBO: yeah, 'cause I was at the bar
19 with him, I had to pay, 'cause he spent all his money at
20 Bunnings.

21

22 **Green-O** Oh, that's right.

23

24 **Sandy White-O** Oh, yeah.

25

26 **Green-O**

27

28 MS GOBBO: Yep.

29

30 **Green-O** That's pretty
