Dear Partners

Re: Paul Dale - Subpoena

We refer to your letter of 17 March 2010.

We again confirm the following:

1. There are no further documents relating to the agreement of Victoria Police to pay the sum of [REDACTED] to the ATO to extinguish the tax debt of George Williams.
2. There are no documents, including tape recordings, video tapes or any other electronic recordings of conversations that took place with C Williams and G Williams. This includes dealings with C and G Williams over Christmas 2008.

We trust this answers your queries raised in the above correspondence.

Yours faithfully
