Dear Madam

Reference AHMED Azzam . Adjournment of charges Melbourne Magistrates' Court
08/06/05

I understand you and Mr Heliotis represented Mr Azzam AHMED at the Melbourne Magistrates' Court on the 8th June 2005, where costs of \$15,400.00 were awarded against the Chief Commissioner in relation to the adjournment of the charges.

It has been noted in the prosecutors report "Her Honour Ms HANNAN sought an undertaking from the defence counsel that they would not seek payment of these costs if they were briefed in other matters for the two days".

Could confirm in writing whether or not you were briefed in other matters for the two days Her Honour refers to, so these costs can be processed if payment is required.

Yours sincerely

T. R. HUGHES
Inspector
