Driver
+ value 10**ISSUE COVER SHEET****File No:****Issue:** (SSU) – Possible corruption issue – request for identity of individuals.**Background:**

In furtherance of our conversation this afternoon, & as directed by Deputy Commissioner Overland on today's date, the identity of the human sources involved & of interest to Task Force Petra are as follows:-

- Human Source 11792958 (changed from 21803838) received verbal advice of possible leak in 2006 is Nicola Gobbo [REDACTED] of [REDACTED] Port Melbourne – Barrister by occupation. Currently involved with a [REDACTED] re threats to kill, TSU camera on home address
- Human Source [REDACTED] – received documents from [REDACTED] upon request & handed same to Source Development Unit, is [REDACTED]
- Human Source [REDACTED] - received documents from [REDACTED] & handed same to Operations Intelligence Unit, is [REDACTED] (date of birth unknown at this stage) of [REDACTED] [REDACTED] These details have previous been supplied to ESD (Inspector Aristidou).

I have briefly discussed this request with Superintendent Porter, the Central Human Source Registrar, it is intended to place a copy of this Report on the Human Source data files relating to this request, at an appropriate time. Inspector Bowd provided the details of source three as the controller Senior Sergeant McKinney declined to provide them to the Source Development Unit as directed by ESD.

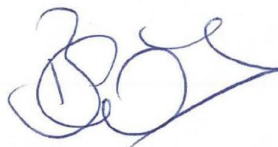

Sandy White-O

as arranged has now viewed the documents in question in total, there are no further human source risks arising. He states as a potential lead that documents were stolen from a Police surveillance vehicle in South Australia in 2007, thought to be by OMCG members, as this was a joint investigation maybe the document was sources from that theft. Senior Sergeant O'Connell appraised.

Recommendation:

Forwarded for information & attention please.

A. M. Biggin
Superintendent
