Hi Boris,
Thanks for that. We will need to check to see what transcripts were supplied as part of the Orman response as I have only seen one and that was in a bundle of materials not to be produced. The issue of the diary entries remains however and will need to be addressed. I will ring Tony shortly discuss.
Kind regards,
Gerard Maguire.

Hello Stuart,

This document has been redacted for Public Interest Immunity claims made by the OCE. These claims are not yet resolved.

Tony Hupfeld has been issued with a fishing expedition subpoena re his upcoming ORMAN murder trial for KALLIPOLITIS.

Tony has replicated below the sections relevant to my request to you.

At first glance, I would guess that VicPol possesses no material relating to discussions between Gobbo and [REDACTED] (because they would be privileged) and certainly none relating to disclosures by Gobbo to [REDACTED]?

Can you confirm for me that VICPOL does not possess this material.

1g) IR's / Intell products relating to disclosure by Nicola Gobbo to [REDACTED] between 1 May 2002 and 2 May 2008 of information concerning the murders of Dibra, Kallipolitis and Peirce.
