██████████: "Yeah."

██████████: "And then there's that fucking fear factor – what, you gonna call me a fucking liar?"

██████████: “Yeah.”

██████████: “You, yourself, okay you need to make, you need to get your worth and I don’t have a problem with that. But all, the only problem we have now is, is, is the um, the volume.”

██████████: “Is the ██████████ coming from Horty?”

██████████: “No, absolutely not.”

██████████: “Another group altogether?”

██████████: “It’s another group altogether yeah.”

██████████: "Or whoever."

██████████: "Whoever. Yeah. Whoever. You know? And if you want to control that because like I hate the ██████████ side of things and I was going to, whatever's gonna come up, ██████████ it, ██████████ it, the whole fucking lot, take a little bit less because otherwise it's running around and doing ██████████ here ██████████ here, I want someone to just, you know, even to the point where now you were gonna talk about I was getting this ██████████ right"

██████████: "Yeah."

██████████: "Well where do we go from here?"

██████████: "Mate I can wait. I'm not rushing into anything."

██████████: "Okay."

██████████: "Like I said to you, you know. But I'm not gonna go there because you got to remember too, if I don't get the ██████████ it'll

[REDACTED]: "She won't fucking do anything illegally."

[REDACTED]: "She won't do anything unless she feels it's right to do."

[REDACTED]: "Exactly."

[REDACTED]: "You know?"

[REDACTED]: "I know that."

[REDACTED]: "Because you know...These guys haven't been completely honest with her either."

[REDACTED]: "No."

[REDACTED]: "You no."

[REDACTED]: "And look, they've stuck it to her so badly it's not fucking funny. And you know that."

[REDACTED]: "..."

[REDACTED]: "And you know that."

[REDACTED]: "But you know, like I said, I don't want to say a wrong word about anyone."

[REDACTED]: "Yeah yeah yeah."

[REDACTED]: "I'll tell you straight out, I met Horthy, he was at the party"

[REDACTED]: "Yeah."

This document has been redacted for Public Interest Immunity claims made by Victoria Police. These claims are not yet resolved.

[REDACTED]: “Um, my understanding is that he and Eddie have instruction to look after me.”

[REDACTED]: “Yeah.”

[REDACTED]: “As far as, because, I’ve got something in the pipe works myself. I told ya.”

TRACK 14:

[REDACTED]: “Yep yep yep.”

[REDACTED]: “So if mine gets fucking dropped, I’ve got to cough up another quarter of a mill.”

[REDACTED]: “Oh right.”

[REDACTED]: “I’ve already handed over fucking a hundred and fifty. You know, like, but that’s, that’s what everyone fucking makes”

[REDACTED]: “Yeah.”

[REDACTED]: “I’ve had nothing.”

[REDACTED]: “Yeah.”

[REDACTED]: “This is what I said to the cunt, I said there’s no chance, you know, if I’m committing to something, cos it’s not going through me, it’s going through another mate of mine, right?”

[REDACTED]: “Yeah.”

[REDACTED]: “I got to deliver. 30 days mate. Or else I’m fucking screwed. I said and secondly if that does fall through and I know I’ve got to go inside well I’m just gunna do it as early as I can.”

[REDACTED]: “All right.”

This document has been redacted for Public Interest Immunity claims made by Victoria Police. These claims are not yet resolved.

[REDACTED]: “You know what I mean?”

[REDACTED]: “Yeah.”

[REDACTED]: “So in which case, for me, I want to earn a couple of mill before I fucking go in.”

[REDACTED]: “Yep yep.”

[REDACTED]: “So at least I know when I get out I can still cover my fucking [REDACTED] school fees, I can still put a roof over my fucking head”

[REDACTED]: “Yeah.”

[REDACTED]: “And I’ve still got some play money to be able to fucking do something with when I get out.”

[REDACTED]: “Okay, worst case scenario, what if it’s only forty?”

[REDACTED]: “Forty what?”

[REDACTED]: “Ah forty kilos.”

[REDACTED]: “I’ll do a calculation.”

[REDACTED]: “You can’t commit me to fifty cos I don’t think I can do that in such a, it’ll fucking kill me.”

TRACK 15:

[REDACTED]: “Yeah, but you know what? Take some more time. I’d rather take more time cos at least with fifty I can say to the cunt who’s gonna do it, I say here’s fucking twenty grand up front, go fucking wherever you got to go, organise yourself, do what you got to do, I don’t want to see you till it’s fucking done – packaged.”

[REDACTED]: “Yep yep.”

This document has been redacted for Public Interest Immunity claims made by Victoria Police. These claims are not yet resolved.

[REDACTED]: “You know what I mean? And then you just tell me how you want it packaged. You want it in thousand lots, you want it in fifty thousand lots, whatever. Or we do a mixture of it. Cos all I want to do then is organise a courier to get it, fucking drop it off, if I have to or we sell it. When we do an exchange with the fucking money in the hand, it’s all COD mate. None of this fucking credit shit.”

[REDACTED]: “Yeah there’s no, as I said”

[REDACTED]: “Wholesale rates. No”

[REDACTED]: “There’s no room for bargaining there.”

[REDACTED]: “That’s it.”

[REDACTED]: “Wholesale rates. It’s got to be cash.”

[REDACTED]: “And it’s going to people we know. Yeah. I’m not fucking dealing with cunts I don’t know.”

[REDACTED]: “Yeah absolutely.”

[REDACTED]: “But from your side, you know them, fine we sell to them. I know them, we sell to them no problem.”

[REDACTED]: “Yeah that’s it. No outsiders.”

[REDACTED]: “I give you the money, there it is, you do what you want with it. You know, you can divvy up, you can divvy it up or do whatever. I’m not gunna fucking rip you off.”

[REDACTED]: “Okay. Now I’m gunna, I’ll, I’ll, that’s how we’ll leave it at the moment. Okay. So you know where I’m at.”

TRACK 16:

[REDACTED]: “I don’t have enough for, enough stock to suffice you at the moment. Okay? Let’s just say that um ah, I’ll get, we’ll see

how this plea goes. Okay?”

██████████: “How soon can you get me dollars though? ██████████ takes a while. If it’s not done with ██████████

██████████: “Okay. I’m gunna see you, not Wednesday coming, the following Wednesday.”

██████████: “Yeah.”

██████████: “I’ll know. Okay? If I’m behind bars – have a nice day.”

██████████: “Okay.”

██████████: “All right?”

██████████: “Yeah.”

██████████: “Okay. If I’m, if I’m ah, if I’m not, on Wednesday we can have a talk, a chat and then come ah, come Friday um, oh yeah Wednesday if you renegotiate, take say, take the stuff to Steve, then we can do that. If not, um, you know, we’ll negotiate on a time frame on how long it’s gunna take to get a bulk amount to be able to do. Okay. So we’re just gunna have to have a meeting. But really it all depends on Monday.”

██████████: “Yeah.”

██████████: “Not this Monday, the following Monday yeah.”

██████████: “You’re appearing the following Monday?”

TRACK 17:

██████████: “Yeah.”

██████████: “Fuck it's come up quick.”

██████████: “They fucking left me out, they left me out, people are dragging

their feet and I've got no fucking time. You know? I got no time."

██████████: "Fuck. But you know what these cunts were supplying you with the ██████████ right?"

██████████: "Yeah."

██████████: "If you wanted to get, if you wanted to turn over ██████████ ██████████ will they allow you to do it?"

██████████: "Well I think they would, I think they would at the moment because of the fact that they can see I can get it."

██████████: "...over there."

██████████: "That's our black four wheel drive."

██████████: "No behind."

██████████: "I dunno."

██████████: "Anyway it doesn't matter. ..."

██████████: "I think it was."

██████████: "... Anyway all right. Cos you said they've got heaps right?"

██████████: "Yeah."

██████████: "If you demonstrated that we were not only able to turn over but ██████████ it in a short period of time, that might entice them to fucking"

██████████: "See they're happy to fucking, they won't even entertain my, my idea that I told them about. Only because, um, that I since found out that instead of getting ██████████ thousand a ██████████ they're getting ██████████ fucking thousand a ██████████."

TRACK 18:

[REDACTED]: "So why would they want to fucking give it to me?"

[REDACTED]: "You got a calculator in the car?"

[REDACTED]: "No. On the phone though. Yeah."

[REDACTED]: "You got a phone with you?"

[REDACTED]: "No. It's in the car."

[REDACTED]: "Use the calculator on there. I can work out straight away whether they're getting [REDACTED]?"

[REDACTED]: "I don't really care at this point."

[REDACTED]: "Yeah. No no but I do because I might be able to get more out of it."

[REDACTED]: "Out of a kilo?"

[REDACTED]: "Yeah."

[REDACTED]: "You're kidding me?"

[REDACTED]: "No."

[REDACTED]: "They reckon they're throwing something else in it that um, that makes it feel ah"

[REDACTED]: "No, that's the worst thing. [REDACTED] with shit because what it does it, they dissipate with air. You know if you don't have the right correct amount [REDACTED]"

[REDACTED]: "Yeah."

[REDACTED]: "You start [REDACTED] with other shit like [REDACTED] or

whatever, it just fucks it.”

[REDACTED]: “Yeah.”

[REDACTED]: “It just fucks it.”

[REDACTED]: “Okay.”

[REDACTED]: “We went through all that shit with Tony. Went through everything. We went through every fucking possible scenario. You know how many times we had to fucking redo stuff?”

[REDACTED]: “For Tony.”

[REDACTED]: “Oh mate. You know?”

[REDACTED]: “All right. Okay. You get back in there. We’ll get back in the car, use the calculator and you see what the scenario, what it can be.”

TRACK 19:

[REDACTED]: “But all I know is, what’s out there’s shit. You know?”

[REDACTED]: “...”

[REDACTED]: “It’s, it’s the ducks nuts mates, it’s the best stuff that they’ve got going.”

[REDACTED]: “...”

[REDACTED]: “Yeah absolutely.”

[REDACTED]: “At what rate?”

[REDACTED]: “Well I was thinking of ah ah ah ten dollars.”

[REDACTED]: “Fuck that’s nothing.”

[REDACTED]: “Well you know”

This document has been redacted for Public Interest Immunity claims made by Victoria Police. These claims are not yet resolved.

[REDACTED]: "I know thing was off loading it at about fourteen."

[REDACTED]: "Fucking hell he's got some fucking power that cunt has."

[REDACTED]: "Yeah. ..."

[REDACTED]: "Well okay we could, we could, we could manage twelve. We could manage twelve."

[REDACTED]: "..."

[REDACTED]: "That was there, that was there before. Yeah."

[REDACTED]: "it was there.....turn over [REDACTED] ..talking about"

TRACK 20:

[REDACTED]: "And you're selling it back to these fuckers, or you're just doing it for them, they're taking out their section and we're left with whatever's left."

[REDACTED]: "Exactly right yeah."

[REDACTED]: "Okay. So then its up to us to sell that because they're just taking that out aren't they?"

[REDACTED]: "Yeah."

[REDACTED]: "Whatever's left over we're selling."

[REDACTED]: "Yeah."

[REDACTED]: "Okay."

[REDACTED]: "Yeah."

[REDACTED]: "Just say for argument sake, that's even easier. You don't have

to worry about selling the whole lot. It's fucking easy to move. It's easier to move at a high rate you just give it out in dribs and drabs. Even if we've got to hold onto it. Even if we're both inside. Who gives a fuck."

[REDACTED]: "Okay."

[REDACTED]: "As long as your man out here, yeah"

[REDACTED]: "Yeah yeah."

[REDACTED]: "Sorts things out. And you reckon he is good as gold."

[REDACTED]: "Well I'd, I'd, I'd make that, I'd make that the issue, of course I would."

[REDACTED]: "Yeah."

[REDACTED]: "I wouldn't, I wouldn't delegate it to somebody to fucking stoop."

[REDACTED]: "Yeah. Yeah. No we'll, you know what it's like, once your in front it's a lot easier to do."

[REDACTED]: "Oh absolutely."

[REDACTED]: "It's when you're at this stage here"

[REDACTED]: "In desperation mode ... That's exactly, you know, we're both much of a muchness mate."

[REDACTED]: "Yeah-no that's good. No worries. ..."

BACK IN VEHICLE:

TRACK 21:

[REDACTED]: “I can’t believe they’re still fucking looking after you and they’re giving me dick. Right, you must have some fucking shit on them I tell ya.”

[REDACTED]: “Oh yeah but they know I’ve always kept my mouth shut, you know what I mean? Never said a fucking word from day one. I never would though. Doesn’t matter what, they offered me to walk mate and I still didn’t open my mouth. And they know, the thing is they know I was getting paid such fucking little money, not fucking ... but obviously fuck all, cunts would fucking sing fucking like there’s no tomorrow, over that rate. And I never whinged once mate. I never complained. Because it wasn’t, like I said to you earlier, I never ever did it..”

[REDACTED]: “Yeah.”

[REDACTED]: “..for that. It was like he was good to me, a good bloke, oh yeah I’ll help you out, didn’t think anything of it. Then when I sorted things out, and I established things that was the week I was out of it, I had it all set up.”

TRACK 22:

[REDACTED]: “It was all set up, it was all based on the volume, you know what I mean, he said he had....”

[REDACTED] “unlimited amount”

[REDACTED]: “Unlimited, that’s why I thought oh yeah okay on the long term it’s fine because its passive and it would be coming in all the time. Do you know what I mean?”

[REDACTED] operating calculator)

[REDACTED]: “No see.”

[REDACTED]: “Not doable?”

This document has been redacted for Public Interest Immunity claims made by Victoria Police. These claims are not yet resolved.

[REDACTED]: “Nah. No way. Nowhere near it.”

[REDACTED]: “What’s that?”

[REDACTED]: “Ten thousand max.”

[REDACTED]: “Ten thousand max. I told you it’s ten thousand max. Right. Maybe eleven thousand.”

[REDACTED]: “Yeah, yeah, just.”

[REDACTED]: “Just. You know?”

[REDACTED]: “That’s if it’s still quite good”

[REDACTED]: “Yeah exactly right.”

[REDACTED]: “That’s why it’s shit. Guarantee they be...”

[REDACTED]: “They can’t get [REDACTED] bucks for ‘em.”

[REDACTED]: “No. So what that they’re getting [REDACTED]”

TRACK 23:

[REDACTED]: “Uh?”

[REDACTED]: “They’re fucking mad. They’re crazy.”

[REDACTED]: “They’ve fucked it up.”

[REDACTED]: “Yeah. And the thing is”

[REDACTED]: “Then they turn around and throw it at me, oh you know wasn’t as good as, you know, wasn’t as good as the sample you gave us. Fucking my arse, it came out of the same bag you fucking dead shits.”

[REDACTED]: “Yeah, that’s why we’ll be laughing mate. I had, we had the

same problem mate, cos they want to maximise as well you know.”

██████████: “I couldn’t understand, the big thing, they’re having problems with this, this bloke, he’s ██████████ them up and I come along and I give ‘em an option that’s fucking like like like a golden handshake and they turn me down. And I’m thinking what’s the reason. Stupid me, I’m thinking that they’re gunna, you know, they can’t tell me the truth.”

██████████: “You know what it is, I reckon, I reckon these other fuckers are trying to jump in the door as well. Horthy and all them. Guarantee it. They would have been promising the world, shit canning this side of it”

██████████: “Yeah.”

██████████: “and ... But they’ll end up coming back because they won’t be able to do it.”

██████████: “Yeah.”

██████████: “They won’t have access to it.”

██████████: “Yeah.”

██████████: “Cos I never ever reveal to anybody, the make up and the quantity ...”

TRACK 24:

██████████: “That’s a beautiful thing.”

██████████: “Well I have to have some sort of safeguard.”

██████████: “Yeah yeah. Absolutely.”

██████████: “You know, not that I don’t trust anybody but at the end of the day”

This document has been redacted for Public Interest Immunity claims made by Victoria Police. These claims are not yet resolved.

[REDACTED]: “No no you don’t trust nobody...fuck that”

[REDACTED]: “...what’s stopping them going elsewhere...”

[REDACTED]: “... that’s something I’ve learnt.”

[REDACTED]: “with your hand..”

[REDACTED]: “.....”

[REDACTED]: “I told you they took it off me, they went to Sydney and you know what they came back with their fucking tail between their legs. They came back. Four weeks later they came back. And at that stage I went from doing, doing....”

[REDACTED]: “Mate okay now what you need to do”

[REDACTED]: “We were getting work from Perth.”

[REDACTED]: “What you need is top up your credit on that phone.”

[REDACTED]: “Yeah I’ll do it today.”

[REDACTED]: “And get it active. And then ah, and expect a call from me on Wednesday.”

[REDACTED]: “All right.”

[REDACTED]: “All right. Now I’ve ah, you know look, you know how this works, things change day by day with me, you know, I’ve got other things on the go, I’ve got things that I’ve got to set up and then if I’m stuck in there, you know, doing it, then I’m ah, I’m ah, I’m, I’m I won’t take that phone with me.”

TRACK 25:

[REDACTED]: “No no. I tell you what. I’m not going to touch the phone. I’ll

just wait for you to ring.”

[REDACTED]: “Yeah.”

[REDACTED]: “Don’t worry about it, I wont be calling you again...”

[REDACTED]: “Yes yes.”

[REDACTED]: “I just be, the only, the only difference with what I had before hand is, because I needed back up, you know what I’m saying?”

[REDACTED]: “Yeah. Okay now in the meantime if I, if I get this um, this ah, 3 um ..., I’m then gunna push, let go a, ah, a [REDACTED].”

[REDACTED]: “Yeah.”

[REDACTED]: “To get, to get the money to be able to get this thing off Rocco.”

[REDACTED]: “I need that.”

[REDACTED]: “Yes. I understand that.”

[REDACTED]: “Next time we meet I need that.”

[REDACTED]: “Yeah I understand that. I understand that. And that’s what I intend to do. You know?”

[REDACTED]: “Now I’ve got this other cunt excited because he’s going to make a bit out of it, you know what I mean...?”

[REDACTED]: “Well you just keep your contingency going mate because ah you know, at this rate I’m not gunna blow wind up your arse. It’s all doable but I’m having problems getting my head around the quantity.”

[REDACTED]: “Yeah.”

[REDACTED]: “You know, because my share of what’s got to happen, don’t forget they’re gunna get three times the amount.”

TRACK 26:

[REDACTED]:

"I know."

[REDACTED]:

"Understand? So that's the position you're putting me in."

[REDACTED]:

"Yeah."

[REDACTED]:

"In the sense that I've got to fucking work my arse off."

[REDACTED]:

"Yeah yeah. But the great thing is when they first get these...and they, it'll blow their heads"

[REDACTED]:

"Yeah yeah, yep."

[REDACTED]:

"Because what I use doesn't affect it."

[REDACTED]:

"Yeah. Okay."

[REDACTED]:

"Its perfect I mean it waters it down a bit but not to the point where, you know, might as well wipe your arse with it"

[REDACTED]:

"Not a worry. All right. See you on ah, Wednesday"

[REDACTED]:

"Alright I'll hear from you anyway."

[REDACTED]:

"Stay safe mate."

[REDACTED]:

"Cheers mate you too. Make sure you work hard all right."

[REDACTED]:

"Yeah."
