Subject Update re WitSec matter

Dear David

I spoke to Fin this morning. He is at home today and does not have access to his emails, because of a technical problem. He is back tomorrow.

I don't think he has reviewed [REDACTED] the MOU which I sent him on 28 January, after the 3 way phone call you and I had with him about it.

Fin has asked me to do the following:

- check some details re the witness' statements with Steve Smith, to complete one of the blanks in the document
- add some further amendments to my [REDACTED] document of 28 Jan, based on instructions this morning and send the [REDACTED] with final draft of the 'without prejudice' covering letter to Mark Waters to Fin by email with copy to Luke Cornelius (the two of them will discuss it in the morning)
- ring Mark Waters to let him know that I expect to be sending him an MOU by the end of this week

I will deal with this later today. Let me know if you would like to discuss.

Regards

Isabel
