

①
You will be aware of the extended of both
yourself & our staff about entering witness
have subject to extreme risk of harm as you
are known in the criminal community that
you will be giving evidence in the
Dale matter.

Further it may be assumed by persons
within the criminal community that
you may give evidence in other matters
to the detriment of those persons

You are also aware that you have
been the subject of specific death
threats by SO19.

I now advise that we have become
so concerned about your personal
security that we have commissioned
a full risk assessment about the
potential for persons have directed
against yourself & your loved ones.

(2)

That risk assessment has also considered the risk of harm to police officers who have warned the reparability for offering protection under the existing ad hoc security arrangements.

That risk assessment concludes that in view of the extreme risk of harm to yourself, the existing ad hoc security arrangements are inadequate to effectively reduce that risk & that your acceptance of an offer to participate as a protected witness in the Wt Sec, is the most appropriate means of reducing the risk of harm from extreme to high.

(3)

Further, the external of protective & security arrangements within the terms of the Wither, protect program is the most appropriate means of reducing the risk of harm to police officers who may be subject of threat in the delivery of protective services to you.

Further, we have also concluded that the continuance of the present ad hoc security arrangements represents a unacceptable risk to the health & safety of the police officers who have been protecting you.

Accordingly we advise that the existing ad hoc security arrangements are to be withdrawn with effect from xx/xx/09.

You may however be afforded protection within the terms of the interest protection program & MOU.

The terms of the MOU can be inspected by yourself at a meeting at your request. The meeting should occur no later than).

As participation is voluntary it is up to you whether you decide to participate or not. If you decide not to participate the MOU will be treated in the same

may as any other witness called
upon to give evidence in a criminal
proceeding. (5)

Further, any security arrangements
will be your responsibility & Vajid
will not assume any " .
