Dear Sir,

RE: **MR. DARREN JACKSON**  
**COMMITTAL MENTION MELBOURNE MAGISTRATES' COURT 29 JANUARY 1998**

We confirm as per our telephone discussion with <sup>Kruger</sup> this day that we are instructed to act for Mr. Darren Jackson in respect of the abovementioned matter.

We further confirm that following our client's status hearing at the Melbourne Magistrates' Court on 3 December last before His Worship Magistrate Purcell, the matter was adjourned to a committal mention on 29 January 1998 by which time copies of any audio or video surveillance relating to our client including transcripts of any listening device or telephone intercept recordings are to be made available to his Solicitors. Would you please ensure that such material is served on this office by that date.

Should you require a blank video and/or audio tapes in order to facilitate the provision of this material by 29 January 1998, please contact Nicola Gobbo of this office.

We are further instructed by our client that a 1992 Ford motor vehicle XR8 with service books was seized by police at the time of his arrest. Our client has instructed us to request its immediate return.

We await your advices.

Yours faithfully,

**Solicitor 1** [REDACTED]
