' Re letter from Piper Alderman (Waters). 18.1.10

- concern that F is really paying with rain "Moti" issues. still would undermine her credit as a witness. esp. manipulation of capital sum.

Defn not full disclosure of my "indebted" paid to F. PII

- How strong is the case - out her? ho. parent paper & leave her unable. but not at expense of the parent.

- Victor should have to further discuss re payment & the witness, other than to cover "subsistence".
 => response is to have to further discuss. - go into witness on our terms. or not.

' Re PII

he - like tax & school fees

- clearly rain the Moti question.
- must be consulted with witness F's treatment.
- => accepts with ~~the~~ PII
- his father must also come / be want back.
